Sun is drowning in the night
I try to catch a ray of light
I can watch it on your skin
reflecting in your eyes

See the world just passing by
guess we're running out of time
tell me how we make it linger
how can we draw the line

You'll be on your way at dawn
without me on your mind
Hold me just for the last time

Cos time is not on our side
it's fading

so why don't you open up your soul to mine
you know time is right
so don't sacrifice
what we have now, dont leave tonight

Night is crawling up the wall
my body's trembling in the dark
can you break the silence
by whisper through it all

I just wanna feel your breath
never suffer loneliness
give me something to believe
I wont us to be blessed

Time is cruel and merciless
and never wishing well
I wish I could break the spell

ohhhhhhhhhh

Cos time is not on our side
it's fading

so why don't you open up your soul to mine
you know time is right
so don't sacrifice
what we have now, dont leave tonight

Cos time is not on our side
it's fading

so why don't you open up your soul to mine
you know time is right
so don't sacrifice
what we have now, dont leave tonight

ohhhhhhhh.....

Dont leave tonight!
