(Verse One)

Most powerful Jesus, You're the lover of my soul  
Giver of Life, I only hope that's what You are  
Always beside me, pick me up when I am low  
Forever guide me, be my love forever more

(Chorus)

I praise You (now)  
I lift my (hands to You)  
Beautiful Savior (Savior)  
It's a wonder what You do (wonder what You, wonder  
what You do)  
Keeping me safely (safely)  
Under Your wings of love and care  
Beautiful Savior  
I know You'll always be there

(Verse Two)

Melody in song, my lips shall sing of who You are  
All true and wise God, that's who You've been right  
from the start  
Whisper Your name (whisper) and power comes right  
from Your throne  
My will is to bless, bless Your name forever more

(Repeat Chorus 2x)
