Wait you! kare no ie made yo gate crash
Itsumo matteiru dakeja yarikirenai wa
Tokei no hari, guruguru to mawaru
Kagami no naka made slow down...
Piero ga temaneki wo shiteru no
"hayaku... oide... oide... oide..."

Stop! kono toki wo tomete yo dou ka...
Daisuki na kare ni muchuu de itai
Nayameru watashi wa yumemiru... love me do!

One day! hitori de aruku desert street
Kuroi koneko wa nobiru shinayaka na bodi
I eat black hair, redfresh, white bone
And golden eye eye eyes
Dakedo son?na yume bakari wo michau
Itsumo... sharara... sharara... sharara

Stop! kono toki wo tomete yo dou ka...
Daisuki na kare ni muchuu de itai no
Kirameku, kiseki wo okoshite... love me do!
Wow wow... love me do!

I eat black hair, redfresh, white bone
And golden eye eye eyes
Dakedo son?na yume bakari wo michau
Itsumo... sharara... sharara

Stop! kono toki woo tomete yo dou ka...
Daisuki na kare ni muchuu de itai
Nayameru watashi wa yumemiru... love me do!
