Thank you  
For giving me the time to learn  
I want to thank you  
For letting me burn all those bridges  
Let me thank you  
For knowing that it wouldn't be my day.

'Cause you may lose your mind  
And you may lose your way  
But this is the pursuit of happiness.

And Mother Mercy  
Hear your daughter  
I'm a baby in the bull rush  
I'm a fish out of water  
Don't you know that I've done denying?  
I'm crying with laughter, so come on  
Smother me, mother me  
'Cause love is what we're all after.

So, thank you  
For letting me sink lower than I should have  
Thank you  
For knowing that the pain would do me good  
Thank you  
For knowing that I would be understood one day.

'Cause you may lose your mind  
And you may lose your way  
But this is the pursuit of happiness.

And Mother Mercy  
Hear your daughter  
I'm a baby in the bull rush  
I'm a fish out of water  
Don't you know that I've done denying?  
I'm crying with laughter, so come on  
Smother me, mother me  
'Cause love is what we're all after.
