Hitokire no bataa toosuto hashirisugiteru popstar wa
Yawarakai sofa ni ganjigarame
Niyaketa kao shita supai ni tsukerareteru kibun
Yarusenai heart wa honou agete...

Makka na miraabooru wa atashi no
Ofuru no doresu wo terasu

Mijikai teabreak
"kono tsugi wa kono kyoku wo ki-te yo"
Imeeji wo buki ni asemamire no intabyuu
Subarashii game wa ooki na umi e to tsuzuiteru
Saikou made oyoide miru wa me wo samashite...

Makka na miraabooru wa atashi no
Iroaseta doresu wo terasu

Unzari suru no yo atama ni kuru desho?
Sore demo mada yamerarenai no gomen ne

Dakara makka na miraa booru wa atashi no
Ofuru no doresu wo terasu
Atarashi yoake wo machikutabireteru no
Yoake wo machiwabite
Mata dekakeru no yo
