And here we are  
They tell me it's the place to be seen  
I'm watching her  
And she knows it, I can guarantee that  
She's a small-time girl who  
Worked it 'til she entered the fold  
Now she won't get fat, you know  
She won't grow old, 'cause...

She's alright  
Yes, she's OK  
She's living for the moment  
As long as she looks good today, then  
She's alright  
Yes, she's OK  
She's got a couple of thousand  
Put away... to help mother nature.

And here we are  
Pool side out in paradise  
She's a talking doll  
Who's working hard to stay a trophy wife  
And nothing moves  
And all the girls get carried away  
Well, I guess it proves  
There's life after thirty, and...

She's alright  
Yes, she's OK  
She's living for the moment  
As long as she looks good today, then  
She's alright  
Yes, she's OK  
She's got a couple of thousand  
Put away... to help mother nature.

We're all crazy  
That's what we are  
We're all crazy  
That's what we are  
So, put some cow in my face, Mother  
But don't leave those scars on me

We're all crazy
