Here it comes in the morning
Iâ€™m just trying to forget
Keep it real, keep it simple
And somehow just get out of bed
And this city is endless
Iâ€™m as cold as itâ€™s stone
Yeah this city is endless
And Iâ€™m, Iâ€™m walking alone

CHORUS

Sunlight creeps in between the curtains
Lose the sheets thereâ€™s no time for sleep
I lie, I pretend â€™til Iâ€™m almost certain
Itâ€™s a beautiful world

I wanna ask for direction
But I donâ€™t dare to disturb
I got a thing with affections
Yeah, thatâ€™s why Iâ€™m walking alone
CHORUS

Sunlight creeps in between the curtains
Lose the sheets thereâ€™s no time for sleep
I lie, I pretend â€™til Iâ€™m almost certain
Itâ€™s a beautiful world

Here it comes in the morningâ€¦

CHORUS

Sunlight creeps in between the curtains
Lose the sheets thereâ€™s no time for sleep
I lie, I pretend â€™til Iâ€™m almost certain
Itâ€™s a beautiful world
(Yeah, itâ€™s a beautiful world)
la la la la
I pretend â€™til Iâ€™m almost certain
Itâ€™s a beautiful world
