Oh no  
It's not me  
I just forget  
To tell you

Didn't mean  
It seems obscene  
We just lost track  
Along the way

[Chorus]  
I'm coming to terms  
I'm starting to learn  
This ain't all it's cracked up to be  
Cause I'm using you  
You're using me  
It's never as easy as we believed

'Cause this hurts  
I can't leave  
I understand  
But can you?

I'm just scared  
You're lonely  
Everyone knows your better than me

[ chorus ]

Is this what you need  
Am I what you need

[ Chorus ]

Na na na na  
Na na na na  
Na na na na na na na na [x4]
