Verse 1:

If all you believed is honest  
You'd turn your back right away

Don't think that you even want this  
You know that you should stay restrained

There's nothing here you'll ever need

Chorus:

Daddy's little girl is dirty on the floor  
She's dancing, oh she's dancing

She don't want no lover she don't want no friend  
She's innocent, oh she's innocent

You'd be better just to walk away

Verse 2:

You know that temptation reads ya it doesn't really  
mean a thing  
You'll fall like the house of Usher you'll lose yourself  
and all you  
Believe

What's gonna be the cost to heal

Chorus:

Daddy's little girl is dirty on the floor  
She's dancing, oh she's dancing

She don't want no lover she don't want no friend  
She's innocent, oh she's innocent

You'd be better just to walk away  
Better just to walk away

Daddy's little girl is dancing

Bridge:

Nah, nah, nah, nah, nah, nah

If all you believed is honest  
You'd turn your back right away

Don't think that you even want this  
You know that you should stay restrained

There's nothing here you'll ever need

Chorus:

Daddy's little girl is dirty on the floor  
She's dancing, oh she's dancing

She don't want no lover she don't want no friend  
She's innocent, oh she's innocent

You'd be better just to walk away  
Better just walk away

Daddy's little girl is dancing

Walk away, walk away, walk away  
Walk away, walk away, walk away

You'd better just walk away  
You'd better just walk away  
Daddy's little girl is innocent
