What a waste of time, the thought crossed my mind  
But I never missed a beat  
Can't explain the who or what I was  
Trying to believe  
What would you do?  
What would you do?  
Do you know?  
I once had a grip on everything  
It feels better to let go

I'm not over  
I'm not over you just yet  
Cannot hide it  
You're not that easy to forget  
I'm not over

Never took the chance, could've jump the fence  
I was scared of my own two feet  
Couldn't cross the line, it was black and white  
No contrast to be seen  
What would you do?  
What would you do?  
Do you know?  
Was it all a joke, never had control  
I'm not better on my own

I'm not over  
I'm not over you just yet  
Cannot hide it  
You're not that easy to forget  
I'm not over

What a waste of time  
The thought crossed my mind  
Can't explain this thing, or what I mean  
I'm trying to let go

I'm not over  
I'm not over you just yet  
Cannot hide it  
You're not that easy to forget  
I'm not over

I'm not over you just yet  
Cannot hide it  
You're not that easy to forget  
I'm not over  
I'm not over
