Verse 1:

Christmas day you pretended like you didn't notice
Having drinks with what's-his-name?

New Year's Eve you pulled me away when the ball
dropped
I turned my back but from that day...

Chorus:

It was me and you
Me and you

Baby ever since you crossed that room and asked me
out
I know we knew it's me and you

Verse 2:

Summertime two rows away at a home game
Was that smile meant for me?

And the crowd goes wild you turn and stare
I break inside just like that night
It's so obvious what we should do

Chorus:

'Cause it's me and you
Always me and you

Baby ever since you crossed that room and asked me
out
I know we knew it's me and you

Bridge:

Anytime we let it show
We been fighting it off for so long

Baby we already know

Tell me why are we still holding off?

Why are we still holding off?

Chorus:

'Cause it's me and you
Always me and you

Baby ever since you crossed that room and asked me
out
I know we knew it's me and you

Me and you

Baby ever since you crossed that room and asked me
out
I know we knew it's me and you

Me and you
