Wait, I'm wrong
Should've done better than this
Please, I'll be strong
I'm finding it hard to resist

So show me what I'm looking for

Save me, I'm lost
Oh Lord I've been waiting for you
I'll pay any cost
Save me from being confused
Show me what I'm looking for
Show me what I'm looking for
Oh Lord

Don't let go
I've wanted this far too long
Mistakes become regrets
I've learned to love abuse
Please show me what I'm looking for

Save me, I'm lost
Oh Lord I've been waiting for you
I'll pay any cost
Save me from being confused

Show me what I'm looking for
Show me what I'm looking for
Oh Lord

Show me what I'm looking for
Show me what I'm looking for
Show me what I'm looking for

Save me, I'm lost
Oh Lord I've been waiting for you
I'll pay any cost
To save me from being confused
Wait, I'm wrong
I can't do better than this
I'll pay any cost
Save me from being confused

Show me what I'm looking for
Oh Lord
