So gaudy and immoral, Iâ€™m the least wanted
I donâ€™t give a shit, worldâ€™s warped anyway
It doesnâ€™t worth to clinginâ€™ on to that
If thatâ€™s the moral someone established.
We should go and destroy it!
This is the way I chose to be
Iâ€™ll do it my fuckinâ€™ way
I know that others wonâ€™t understand it
Tired of those warped world
But donâ€™t get me wrong
I donâ€™t blame anyone
Itâ€™s nobodyâ€™s fault when
I canâ€™t get what I want
Itâ€™s nobodyâ€™s business but mine
The problem is that I give up so easily
Dreams in my head but canâ€™t step ahead

Iâ€™ll keep on going â€™till my final day
The Wall that stand tall. I must break down
I just wanna see whatâ€™s behind
Noisy sound is the what I need
I just wanna witness the moment of the truth
I hate to be forced
I do it the way I like it
Be ambitious, Let the bell of the war toll
Be cautious and watch out!
