"Cook With Honey"

Muffin warm and basket brown
Smiling faces gathered
Round our dinner table
Close together, hand in hand

(CHORUS)

I always cook with honey
To sweeten up the night
We always cook with honey
Tell me, how's your appetite
For some sweet love

Finding favor with your neighbor
Well, it can be so fine
It's easier than pie to be kind

We've been searching for so long
Now our house has
Turned into a home

Cause
(CHORUS)

Cause
(CHORUS)

Well, our door is always open
And there's surely room for more
Cooking where there's good love
Is never any chore

So come to get to know us
There'll be a place set just for you
Sweet wine before dinner
That is surely bound to soothe

(CHORUS) 2X
