Nothing lasts forever, you should know that by now  
Good times, heartache  
You'll get through this trouble though you may not  
know how  
Your heart won't break

If you have a vision of your destiny  
Tears can't stop you  
Hidden in your heart is everything you can be  
You'll be fine

Nothing lasts forever  
Nothing lasts forever  
Nothing lasts forever

You know where you're goin' even when you are lost  
Big world spinning  
Just stay in the center where you think you belong  
Gently turning

Run off with the Gypsies to the carnival  
Tight rope walker  
Mysteries and miracles wherever you go  
You'll be fine

Nothing lasts forever  
Nothing lasts forever  
Nothing lasts forever

Da da da  
Da da da

Nothing lasts forever  
Nothing lasts forever

Watch the way the rainbow makes its way to the sun  
Yellow, purple  
Even in the shadows where the light doesn't shine  
Magic silver

You could dream that all of this was meant to be  
Daylight dawning

Nothing lasts forever, you should know that by now  
You'll be fine

Nothing lasts forever  
Nothing lasts forever  
Nothing lasts forever

Da da da  
Da da da

Nothing lasts forever  
Nothing lasts forever

Nothing lasts forever  
Nothing lasts forever  
Nothing lasts forever

Tight rope walker, Gypsies  
Nothing lasts forever

Nothing lasts forever  
Nothing lasts forever

Mysteries and miracles  
Nothing lasts forever
