Once I was a soldier  
and I fought on foreign sands for you  
Once I was a hunter  
and I brought home fresh meat for you  
Once I was a lover  
and I searched behind your eyes for you  
Soon they'll be another  
to tell you I was just a lie  
and sometimes  
I wonder just for a while will you ever remember me  
And though you have forgotten all of our revish  
dreams  
I find my self searching  
through the ashes of our ruins  
for the days when we smiled  
the hours that run wild  
with a magic in our eyes and the silence of our words  
and sometimes  
I wonder just for a while will you ever remember me  
remember me, remember me
