"Settle Down"

Going down that highway
Going to try another town
Honey, when I've found what I'm lookin' for
Maybe I'll settle down.

Chorus

Why don't you help me brother
I'm a stranger in your town
Why don't you help me brother
And maybe I'll settle down.

Worked my way from Boston
To the San Francisco Bay
Well honey, what I've been lookin' for
I didn't find along the way.

I've never been contented
No matter where I roam
Well it ain't no fun to see the settin' sun
When you're far away from home.

CHORUS (twice)
