Shameless, shameless  
You know what you have done  
You are shameless, shameless  
You've got me on the run

Shameless, shameless  
You're tearin' me apart  
You are shameless, shameless  
You're a face without a heart

You traveled like a fast ball  
Out of the blue  
You hurry like a freight train  
Tryin' to get through

Runnin' to catch  
You I'm all out of breath  
Actin' like a darn fool  
You scare me to death

You're shameless, shameless  
You know what you have done  
You are shameless, shameless  
You got me on the run

Shameless, shameless  
You're tearin' me apart  
You are shameless, shameless  
You're a face without a heart

You hit me like a windstorm  
Sand in my eyes  
You know you treat me so bad  
I think I'm gonna die

You walk on water  
You think you can fly  
What you gonna do when  
You fall from the sky

You're shameless, shameless  
You know what you have done

Shameless, shameless  
You got me on the run

Shameless, shameless  
You're tearin' me apart  
Shameless, shameless  
You're a face without a heart

Only time will tell  
How to break your spell  
I've got nothin' but time  
Got to find a way to put you out of my mind

What you gonna do when you run out of track?  
What you gonna do when they call the game?  
What you gonna do when I don't want you back?  
What you gonna do when I can't remember your name?

You're shameless, shameless  
You know what you have done  
You are shameless, shameless  
You got me on the run

Shameless, shameless  
You're tearin' me apart  
You are shameless, shameless  
You're a face without a heart
