"Tear Down The Walls"

Tear down the walls, listen to freedom ringing out,
Tear down the walls, can't you hear the church bells
singing out,
Give every man the chance to take his brother's hand,
Tear down the walls, tear down the walls.

chorus:

The music's everywhere, when every man is free,
The music's in the air that lights the road to liberty.

Tear down the walls, one world in harmony,
Tear down the walls, can't you hear the melody?
Hear every man sing it over the land.
Tear down the walls, tear down the walls.

Tear down the walls, listen to freedom ringing out.
Tear down the walls, can't you hear the church bells
singing out?
Let every man sing it over the land,
Tear down the walls, tear down the walls.
