Three gates in the east, three gates in the west  
Three gates in the north, three gates in the south  
That makes twelve gates to the city, hallelujah

Oh, what a beautiful city  
Oh, what a beautiful city  
Oh, what a beautiful city  
There're twelve gates to the city, hallelujah

Walk right in, you're welcome to the city  
Step right up, welcome to the city  
Walk right through those gates to the city  
There're twelve gates to the city, hallelujah

Oh, what a beautiful city  
Oh, what a beautiful city  
Oh, what a beautiful city  
There're twelve gates to the city, hallelujah

Who are those children all dressed in red  
Twelve gates to the city  
Must be the children that Moses sent  
There're twelve gates to the city, hallelujah

Rich and the poor, welcome to the city  
Young and the old, welcome to the city  
Weak and the strong, welcome to the city  
There're twelve gates to the city, hallelujah

Oh, what a beautiful city  
Oh, what a beautiful city  
Oh, what a beautiful city  
There're twelve gates to the city, hallelujah

Oh, what a beautiful city  
Oh, what a beautiful city  
Oh, what a beautiful city  
There're twelve gates to the city, hallelujah
