If you will remember this
You are a wheel rolling
You will always find your bliss
You are a wheel rolling

You will be a lion walking
You are a wheel rolling
And the lion meets the dragon
You are a wheel rolling

Kill the demon on the road
You are a wheel rolling
Turn yourself into a child
You are a wheel rolling

Search the heavens for a sign
From the center of the world
Justice is not ever blind
Rolling like a cloud unfurled

If you really had compassion
You are a wheel rolling
You would cry and never cease
You are a wheel rolling

If you look for inspiration
You are a wheel rolling
In this world there is no peace
You are a wheel rolling

You will seek to find nirvana
You are a wheel rolling
Where no pain or sorrow reaches
You are a wheel rolling

You must slay the dragon now
You are a wheel rolling
You are dragon, child and lion
You are a wheel rolling

If you look to find the world
You are a wheel rolling

Look no further than yourself
You are a wheel rolling

Search the heavens for a sign
From the center of the world
Justice is not ever blind
Rolling like a cloud unfurled

If you seek to kill the devil
(You are a wheel rolling)
Every act is good and evil
(You are a wheel rolling)

Even devils work for God
(You are a wheel rolling)
Even evil turns to good
(You are a wheel rolling)

Search the heavens for a sign
From the center of the world
Justice is not ever blind
Rolling like a cloud unfurled

You will see a cloud of fire
(you are a wheel rolling)
And your spirit burning higher
(You are a wheel rolling)

Flames of brilliant orange and red
(You are a wheel rolling)
Dying lives and living dead
(You are a wheel rolling)

Or you will see nothing there
(You are a wheel rolling)
As you float in crystal air
(You are a wheel rolling)

Meet the dragon in the trees
(You are a wheel rolling)
He will bring you to your knees
(You are a wheel rolling)

Search the heavens for a sign
From the center of the world
Justice is not ever blind
Rolling like a cloud unfurled

If you will remember this
(You are a wheel rolling)
You will always find your bliss

(You are a wheel rolling)

You will be a lion walking
(You are a wheel rolling)
And the lion meets the dragon
(You are a wheel rolling)

Kill the demon on the road
(You are a wheel rolling)
Turn yourself into a child
(You are a wheel rolling)

Search the heavens for a sign
(You are a wheel rolling)
Rolling from the center of you
(You are a wheel rolling)

Justice is not ever blind
(You are a wheel rolling)
Rolling like clouds unfurled
(You are a wheel rolling)
