Your eyes once told me a story  
I built my castles on air  
Life was soon dimmed of its glory  
I loved but you ceased to care

There's nothing left for me  
Of days that used to be  
I live in memory

Among my souvenirs, some letters tied with blue  
A photograph or two I see a rose from you  
Among my souvenirs, a few more tokens rest  
Within my treasure chest

And though they do their best to give me consolation  
I count them all apart and as the tear drops start  
I find a broken heart among my souvenirs

You broke the news to me kindly  
I can't say you were not fair  
Yet, just because i loved blindly  
I have the burden to bear

There's nothing left for me  
Of days that used to be  
I live in memory

Among my souvenirs, some letters tied with blue  
A photograph or two, I see a rose from you  
Among my souvenirs, a few more tokens rest  
Within my treasure chest

And though they do their best to give me consolation  
I count them all apart and as the tear drops start  
I find a broken heart among my souvenirs
