Spoken by Mike, the bartender:

For ev'ry rose that withers and dies  
Another blooms in it's stead.  
A new love waits to open its eyes  
After the old love is dead.

Sung by Hannah:

That sounds alright in a careless rhyme  
But there's seldom a second time

Better luck next time  
That could never be  
Because there ain't gonna be no next time  
for me - no siree

Made up my mind  
To make another start

I've made my mind up but I can't make up  
my heart

I'd like a new lucky day  
That would be nice  
But this comes just once in a lifetime  
not twice

So don't say better luck next time  
That can never be  
Because there ain't gonna be no next time  
for me.
