6.COME RAIN OR COME SHINE

Im gonna love you like no-bodysloved you
Come rainor comeshine
High as a mountaindeep as a river
Come rainor come shine
I guesswhen you met me
It was just one of thosethings
But don't ever buck me
Cause Im gonna be trueif you let me
Yourgonna love meLike nobodys loved me
Come rainor comeshine
Happy together Un-happy together Wont that be fine
Days may be cloudy orsunny
Were in or were out of the money
But Imwith you always Im with you rain or shine
Im gonna love you,Im gonna love you
Im gonna love youcome rain or come shine
I love youas deepas a rivercome rain or come shine
Im gonna love you,Im gonna love youIm gonna love

One of those cra-zy things
But don't,don't,no,don't youever buck me
Don't you buck me
Cause Im gonna be true, gonna betrue if you let me
Letme,let meLetme,let melet me love you
Let me love youcome rain orcome shine
Happy together Unhappy together wont that be fine
Days may be cloudy orsunny
