Every day, just go along dawn till sundown  
Here's a rundown  
Every day that comes, comes once in a lifetime

Take each day and gather the rosebuds in it  
Fill each minute  
Every day that comes, comes once in a lifetime

Think of now, tomorrow is waiting in the wings  
Who knows what it brings  
While the future waits, the present swings

Day to day, in Brooklyn or China 'cross the bay  
Only once comes this particular sky  
Only once these precious hours go by  
Only once in a lifetime the day comes by  
So live, live, live, live today

Think of now, tomorrow is waiting in the wings  
Who knows what it brings  
While the future waits, the present swings

From day to day, in Brooklyn or China 'cross the bay  
Only once comes this particular sky  
Only once these precious hours go by  
Only once in a lifetime a day comes by  
So live, live, live, come on and live today
