Day in, day out
That same old voodoo follows me about
That same old pounding in my heart, whenever I think
of you
And darling, I think of you, day in and day out

Day out, day in
I needn't tell you how my days begin
When I awake, I awaken with a tingle, one possibility in
view
That possibility of maybe seeing you

Come rain, come shine
I meet you and to me the day is fine
Then I kiss your lips and the pounding becomes
The oceans roar, a thousand cries

Can't you see it's love?
Can there be any doubt?
When there it is
Day in and day out

Day in, day out
That same old voodoo follows me about
That same old pounding in my heart, whenever I think
of you
And darling, I think of you, day in and day out

Day out, day in
I needn't tell you how my days begin
When I awake I awaken with a tingle, one possibility in
view
That possibility of maybe seeing you

Come rain
(I'm gonna love you)
Come shine
(Like nobody's loved you)
I'm loving you, answer me, the day is fine
Then I kiss your lips and the pounding becomes
The oceans roar and so much more

Can't you see it's love?
Can there be any doubt?
When there it is, there it is
There it is day in, day out
