Do I love you, do I?
Doesn't one and one make two?
Do I love you, do I?
Does July need a sky of blue?

Would I miss you, would I
If you ever should go away?
If the sun should desert the day
What would life be?

Would I leave you never?
Could the ocean leave the shore?
Will I worship you forever?

Isn't Heaven forever more?

Do I love you, do I?
Oh my dear it's so easy to see
Don't you know I do, don't I show you I do
Just as you love me

Do I love you, do I?
Oh my dear it's so easy to see
Don't you know I do, don't I show you I do
Just as you love me
