Domino. Domino.
You're an angel and Heaven has lent thee!
Domino. Domino.
You're a devil designed to torment me!
When your heart must know
That I love you so,
Tell me why.
Tell me why,
Why do you make me cry Domino?
Just one look in your eyes
And I turn into fire.
Just one touch of your hand
And I melt with desire!
And it scare me that tomorrow
Someone else may take my place!
Domino. Domino.
Say you'll never no, never desert me.
Domino. Domino.
If you stay I don't care if you hurt me!
Fate has made you so.
You can't change, I know.
You can't change. Though you try
But then neither can I, Domino.
Domino! Domino!
You can't change anything that you do!
Domino! Domino!
Nothing matters if I have you!
