Shades of night are falling and I'm lonely  
Standing on the corner feeling blue  
Sweethearts out for fun  
Pass me one by one  
Guess I'll whined up like I always do  
With only

Me and my shadow  
Strolling down the avenue  
Me and my shadow  
Not a soul to tell our troubles to  
But when it's twelve a clock  
We climb the stair  
We never knock  
'Cause nobody's there  
Just me and my shadow  
All alone and feelin blue

And when it's twelve a clock  
We climb the stair  
We never knock  
'Cause nobody's there  
Just me and my shadow  
All alone and feelin blue
