Words and Music by:

Irving Berlin

To long I held you close to my heart,  
To much i loved you right from the start,  
To soon you vanished out of my dreams.  
To late to start all over it seems.

It's over, all over.

And soon somebody else  
Will tell the world about you,  
But how about me.

Its over all over

And soon somebody else  
Will make a fuss about you  
But how about me.

You'll find somebody new,  
But what am I to do?

I'll still remember you,  
When you have forgotten.

And maybe a baby  
Will climb upon your knee  
And put its arms about you,  
But how about me.

You'll find somebody new,  
But what am I to do?

I'll still remember you,  
When you have forgotten.

And maybe a baby  
Will climb upon your knee  
And put its arms about you  
But how about me?
