JANE

Howdy neighbor!

*MEN

Howdy neighbor!

JANE

Happy harvest!

Happy harvest!.

May your 40 acres soon be fields of clover.

Yes, indeed, and plant a wish

With every seed and by and by

The sun and rain will make an etching

Of a million little green fingers

Stretching to the sky

Howdy neighbor!

Happy harvest!

Get your rocking chairs, for all your cares are over

Clap your hands and lick your chaps, your bumper
crops are on the climb.

Hey, we're gonna roll in plenty, spend a five or ten or
twenty,

And those happy harvest bells are gonna chime.

Remember neighbor when you work for mother nature
you get paid by father time.

Chicks are gonna cackle and every burlap sack'll be full
of taters and tobaccos

And dozens of different good and healthy greens,

and if the weatherman won't upsent us

Mister, you can bet us there'll be lots of crispy lettuce in
your jeans

ALL

Full of tater! Crispy lettuce! Fresh tomatoes! Crispy
lettuce in your jeans!

JANE

Plant them to live and find out just what livin' means

ALL

Howdy neighbor!

JANE

Howdy neighbor!

ALL

Happy harvest!

JANE

Happy harvest! May your forty acres soon be fields of
clover

ALL Yes indeed!

JANE Go on puff your corncob pipes and no more
gripes and no more groans.

No mortgages or loans and you won't see a trace of
worryin' on the face of Farmer Jones

ALL

Howdy neighbor!

JANE

Howdy neighbor!

ALL

Happy harvest!

JANE

Happy harvest! Get your rocking chairs for all your
cares are over.

ALL

Hall-ay-loo!

JANE

Clap your hands and lick your chops , your bumper
crops are on the climb.

Hey, we're gonna roll in plenty.

Spend a five or ten or twenty and those happy harvest
bells are gonna chime.

Remember, neighbor, when your work for mother
nature you get paid by father time!
