I always thought that I'd prefer single-blessed-ness  
Thought that I'd like to stay free  
I never thought my time would come to marry,  
No wedding bells for me, I've changed my mind after  
all,  
You are the one made me fall, for...  
I used to smile at all the songs that were popular,  
Nothing but love in each song,  
I used to think those kind of songs were foolish,  
Now I admit I'm wrong.  
Love songs are part of my plan, show me the minister  
man, for...

I never knew I could love anybody,

Honey, like I'm loving you;  
I couldn't realize what a pair of eyes and a baby smile  
could do.  
I can't sleep, I can't eat,  
I never knew a single soul could be so sweet,  
I never knew I could love anybody,  
Honey, like I'm loving you.
