You don't know that I felt good  
When we up and parted  
You don't know I knocked on wood  
Gladly, broken hearted

Worrying is through, I sleep all night  
Appetite and health restored  
You don't know how much  
I'm bored

The sleepless nights, the daily fights  
The quick toboggan when you reach the heights  
I miss the kisses and I miss the bites  
I wish I were in love again

The broken dates, the endless waits  
The lovely loving and the hateful hates  
The conversation with the flying plates  
I wish I were in love again

No more pain  
No more strain  
Now I'm sane  
But I would rather be ga, ga

The pulled out fur of cat and cur  
The fine mis mating of a him and her  
I've learned my lesson  
But I wish I were in love again

The furtive sigh, the blackened eye  
The words, "I love you till the day I die"  
The self deception that believes the lie  
I wish I were in love again

When love congeals, it soon reveals  
The faint aroma of performing seals  
The double crossing of a pair of heels  
I wish I were in love again

No more care  
No despair

I'm all there now  
But I'd rather be punch drunk

Believe me sir, I much prefer  
The classic battle of a him and her  
I don't like quiet and I wish I were  
In love again

No more pain  
No more strain  
Now I'm sane  
But I would rather be ga, ga

The pulled out fur of cat and cur  
The fine mis mating of a him and her  
I've learned my lesson  
But I wish I were in love again
