The sleepless nights, the daily fights  
The quick toboggan, when you reach the heights  
I miss the kisses, and I miss the bites  
I wish I were in love again

The broken dates, the endless waits  
The lovely loving, and the hateful hates  
The conversation, with the flying plates  
I wish I were in love again

No more pain, no more strain  
Now I'm sane, but I would rather be punch, drunk

The pulled out fur, of cat and cur  
The fine mismating, of a him and her  
I've learned my lesson, but I wish I were  
In love again

The furtive sigh, the blackened eye  
The words, "I love you, 'til the day I die"  
The self deception, that believes the lie  
I wish I were in love again

When love congeals, it soon reveals  
The faint aroma, of performing seals  
The double-crossing, of a pair of heels  
I wish I were in love again

No, no more care, no, no despair  
Now I'm all there, but I'd rather be punch drunk  
(Now)

Believe me sir, I much prefer  
The classic battle, of a him and her  
I don't like quiet, and I wish I were  
In love again, in love again, in love again
