I'm nobody's baby, I wonder why?
Each night and day I pray the Lord up above
Please send me down somebody to love
But nobody wants me, I'm blue somehow
Won't someone hear my plea and take a chance with
me
Because I'm nobody's baby now

No, nobody's baby and I've got to know the reason
why?
Last week I was walking down the street
And met a boy and I said
"Hey! Maybe I was meant for you"
But he only kept his hat and shook his head
Kept on walking down the avenue

Oh, nobody wants me
I'm mighty blue somehow
Won't someone hear my plea
And take a chance with me
Because I'm no, nobody's baby?

I'm blue somehow
Won't someone hear my plea
And take a chance with me?
There's no denying
I'm crying, I'm lonesome on my ownsome
I don't mean maybe, I'm nobody's baby
