I lived in a dream my sweet
In a dream of you
My dream was a joy complete
'Cause you loved me too...
And I was no longer afraid of
What the future might reveal
For the stuff that dreams are made of
Was suddenly real
Love of my life
Life of my love
I used to pray
And pray you'd hear me
Love of my life
Angels above
Sent you at last
To stay always near me
Now we are one
Never to part
And evermore
Need I implore you to miss me
Come to my arms
Come to my heart
Kiss me
Kiss me
Come to me
Come... to me
My... life
My-y love...
Love of my life
My life
My-y love...
