Aye, aye, aye  
(La-la-la, la-la-la, la-la-la)  
Aye, aye, aye  
(La-la-la, la-la-la , la-la-la)  
Aye, aye, aye  
(Aye, aye, aye)  
Aye, aye, aye, aye, aye, aye, aye, aye, aye

I'm gonna tell you a story  
And there's no moral to be made  
But don't forget when your dancing  
That somehow the piper must be paid

Down on the Nile in the southern sea's  
There lives a lassy named Minne Breeze  
And all the natives agree that she's  
The hottest thing in Trinidad

When Minne dances I guarantee  
With every move of her vertebrae  
The temperature jump up ten degree  
In Trinidad that isn't bad

Aye, aye, aye, they call her Minne from Trinidad  
Aye, aye, aye, they all love Minne from Trinidad  
Aye, aye, aye, and all the natives would be so sad  
If Minne ever left Trinidad

Although the natives loved Minne so  
Minne had herself a steady bow  
A fellow known as Calypso Joe  
And Minnie swore they'd never part

But they stepped in only as they could  
Min won a contest for dancing good  
So she went away to Hollywood  
When Joe heard that, it broke his heart

Aye, aye, aye, they call her Minne from Trinidad  
Aye, aye, aye, she wasn't good but she wasn't bad  
Aye, aye, aye, Calypso Joe was so very sad  
When Minne up and left Trinidad

In Hollywood Minne traveled far  
They changed her name to Minne Lamar  
And pretty soon she became a star  
The siren of the picture show

But one day Minne got awful mad  
A guy got fresh and she said "You cad"  
My heart belongs to my Trinidad  
My Trinidad Calypso Joe

Aye, aye, aye, they call her Minne from Trinidad  
Aye, aye, aye, in Hollywood Minne met her cad  
Aye, aye, aye, but there is only one native lad  
Gets chummy with Minne from Trinidad

So Minnie gave up her dough and fame  
And she went back to from where she came  
But when she got there she heard with shame  
That her Calypso Joe was dead

When Minne heard that, she almost died  
She took a gun to try suicide  
But as she started to shoot  
She cried, "I think I'd rather live instead"

Aye, aye, aye, they call her Minne from Trinidad  
Aye, aye, aye, she went away and they were so sad  
Aye, aye, aye, but now the natives are mighty glad  
'Cause Minne came back to Trinidad

Aye, aye, aye, they call her Minne from Trinidad  
Aye, aye, aye, they all love Minne from Trinidad  
Aye, aye, aye, and all the natives will be so sad  
If Minne, Minne came back to Trinidad

Aye, aye, aye  
(Aye, aye, aye)  
Aye, aye, aye  
(Aye, aye, aye)  
Aye, aye, aye  
(Aye, aye, aye, aye, aye)

For Minne  
(Minne, for Minne, for Minne)  
Minne  
(Come home you Minne, poor Minne)  
Minne, came back to Trinidad
