Someplace where there isn't any trouble . . . Do you
suppose there is such a place, Toto?
There must be. It's not a place you can get to by a boat
or a train. It's far, far away . . .
Behind the moon, beyond the rain

Somewhere over the rainbow, way up high, There's a
land that I heard of once in a lullaby.
Somewhere over the rainbow, skies are blue And the
dreams that you dare to dream really do come true.
Someday I'll wish upon a star And wake up where the
clouds are far behind me.
Where troubles melt like lemon drops
Away above the chimney tops, that's where you'll find
me.
Somewhere over the rainbow, bluebirds fly, Birds fly
over the rainbow, why then, oh why can't I?
If happy little bluebirds fly beyond the rainbow, Why oh
why can't I?

Reprise (from scene in the witch's castle)
Someday I'll wake and rub my eyes, And in that land
beyond the skies you'll find me.
I'll be a laughing daffodil And leave the silly cares that
fill my mind behind me.
If happy little bluebirds fly beyond the rainbow, Why oh
why can't I?

Complete Lyrics from the Original Sheet Music
When all the world is a hopeless jumble And the
raindrops tumble all around, Heaven opens a magic
lane.
When all the clouds darken up the skyway, There's a
rainbow highway to be found, Leading from your
window pane to a place behind the sun, Just a step
beyond the rain.

Somewhere over the rainbow way up high, There's a
land that I heard of once in a lullaby,
Somewhere over the rainbow skies are blue, And the
dreams that you dare to dream really do come true.
Someday I'll wish upon a star

And wake up where the clouds are far behind me,
Where troubles melt like lemon drops, Away, above the
chimney tops, that's where you'll find me.
Somewhere over the rainbow bluebirds fly. Birds fly
over the rainbow, why then, oh why can't I?
If happy little bluebirds fly beyond the rainbow, Why oh
why can't I?
