It was going pop  
And it couldn't stop  
Now it's number one,  
Thanks to Tom the piper's Son.

Tom, Tom, the piper's Son  
Stole a tune and away he run  
And away run he  
With that melody  
Tom was hot, the tune was sweet  
But he revamped it with a new off-beat  
And the classic thing,  
Got a shot of swing

Mr. Brahms cried och!  
So did Mozart and Bach  
And to hear them rave  
Paganini tumbled over in his grave

And now that tune, that no one played  
Has stepped right up and hit the hit parade  
It was growing pop  
And it couldn't, STOP!

Now it's number one thanks to Tom the piper's son.  
Chorus with swing ;)

Tom was hot, the tune was sweet  
But he vamped it with a boogie beat  
And the classic thing,  
Got a shot of swing

Beethoven turned gray  
So did Debussy and Bose  
It was such a stew  
Tchaikovsky said "I'm gonna sue!"

And now that tune, that no one played  
Has stepped right up and hit the hit parade  
It was growing pop and it couldn't, stop...  
Now it's number one thanks to Tom the piper's son.

## Ev'ry Little Movement

Ev'ry little movement,  
Has a meaning of it's own  
Ev'ry thought and feeling,  
By some posture can be shown.

And ev'ry love thought  
That comes a stealing  
All your being Must be revealing  
All it's sweetness In some appealing little gesture  
All of it's own.
