When you're smilin', when you're smilin'  
The whole world smiles with you  
When you're laughin', when you're laughin'  
The sun comes shinin' through

But when you're cryin', you bring on the rain  
So stop your sighin', be happy again  
Keep on smilin', when you're smilin'  
The whole world smiles with you

If you suddenly find out you've been deceased, don't  
get peace  
If your husband bluntly tells you you're too stout, don't  
you pout  
And for heavens sakes retain a calm demeanor  
When a cop walks up and hands you subpoena

If the groom should take a powder  
While you're marching down the aisle  
Don't weep and moan because he's blown  
Just face the world and smile

'Cause when you're cryin'  
Don't you know that you're makeup starts to run  
And your eyes get red and scrappy  
Forget your troubles have yourself a little fun

Have a ball, forget it all, forget your troubles  
Come on you have it, keep on smilin'  
'Cause when you're smilin'  
The whole world smiles with you
