"Who?"

Who stole my heart away?
Who makes me dream all day?
Dreams I know can never come true
Seems as though I'll ever be blue

Who means my happiness?
Who would I answer yes to?
No one, but you!

A woman's intentions, her famine inventions
A seldom if ever defined
And I am no different, why should I be different?
I simply can't make up my mind
How can I solve this situation
Except by the process of elimination?

Oh, who stole my heart away?
Who makes me dream all day?
Dreams I know can never come true
Seems as though I'll ever be blue

Who means my happiness?
Who would I answer yes to?
No one, but you!
Can it be, can it be, who can it be?

You'll never guess who has stolen my heart away
Dreamin' dreams I know can never come true
Seems as though I'll never be blue

Oh, who means my happiness?
Who would I answer yes to?
Well, you oughta guess who, who
No one but you
