You made me love you
I didn't want to do it, I didn't want to do it
You made me love you
And all the time you knew it
I guess you always knew it.
You made me happy sometimes, you made me glad
But there were times, Dear, you made me feel so bad
You made me sigh for, I didn't want to tell you
I didn't want to tell you
I want some love that's true, yes I do, deed I do, you
know I do
Give me, give me, give me what I cry for
You know you got the brand of kisses that I'd die for
You know you made me love you
