[VERSE 1]

I love you with all my heart
Only you do I adore
And to know that you love me
Only makes me love you more

All I ask is you be true
True to me in every way
Please be kind and understanding
Love me more with every day

[Repeat VERSE 1]

I love you, with all my heart
And my love is so sincere
Please love me with all your heart
Say you love me, say you care

La, la la la la, la la lee la
La, la la la la, la la lee la
