I'm forever, forever, forever
I'm forever, forever, forever
I'm forever yours

Highway run
Into the midnight sun
The wheels go 'round and 'round
You're on my mind

Restless hearts
Sleep alone tonight
I'm sendin' all my love
Along the wire

They say that the road
Ain't no place to start a family
Right down the line
It's been you and me

And lovin' somebody like me
Ain't all what's supposed to be
But you, you stand by me
I'm forever yours faithfully

Circus life
Under the big top world
We all need the clowns
To make us smile

Through space and time
Always another show
Wondering where I am
Lost without you

And being apart ain't easy
On this love affair
Two strangers learn
To fall in love again

And I get the joy
Of rediscovering you

And you, you stand by me
I'm forever yours faithfully

Faithfully, I'm still yours
I'm forever yours, yeah

So faith, so faithful
So faith, so faithful
So faith, so faithfully

So faith, so faithful
So faith, so faithful
So faith, so faithfully

Faithfully
So faithful, so faithful
