La da da

You say you're doing better  
For your sake I hope its true  
I wish you well  
But that's all that I can do  
Save your "I'm sorry"s  
Just leave them at the door  
You can't make me feel guilty anymore

You say I should stay with you  
That Jesus forgives you  
You pray I will  
But I won't  
The difference is  
Jesus loves you  
I don't

I know it sounds cruel  
And it's really not like me  
But here I am  
In this place  
I never thought I should be  
The tears I'm crying  
Are just tears of goodbye  
I hope you find someone else  
Somewhere in your life  
Somewhere in your life

You say I should stay with you  
That Jesus forgives you  
You pray I will  
But I won't  
The difference is  
Jesus loves you  
I don't

I don't want to know you still want me  
I don't need to hear you can't sleep  
No I don't, no I don't

You say I should stay with you  
That Jesus forgives you  
You pray I will  
But I won't  
The difference is  
Jesus loves you

You say I should stay with you  
That Jesus forgives you  
You pray I will  
But I won't  
The difference is  
Jesus loves you  
Jesus loves you  
I don't

Jesus loves you  
I don't
