Parceled out like oxygen
Everywhere but very thin
Sampling for sampling's sake
You're an obvious mistake

I love you anyway
You're an intense beige but that's okay

Parceled out like oxygen
Everywhere but very thin
Sampling for sampling's sake
You're an obvious mistake

I love you anyway
You're an intense beige but that's okay

Whatcha gonna do when it all comes true
It makes you feel blue and then you get lonely?
You get whatcha want, it makes you feel sad
And everything you got says sameness only
Too bad

Sliding in and out of phase
Massing mindless in a maze
Nothing ventured, nothing dared
Fake opaque and very scared

I love you anyway
You're an intense beige but that's okay

Sliding in and out of phase
Massing mindless in a maze
Nothing ventured, nothing dared
Fake opaque and very scared

I love you anyway
You're an intense beige but that's okay

Talking to yourself it makes it kinda hard
You're always on your guard, your life is snoring
Fear of extinction keeps you in the yard
You don't go out much anymore, you're so boring

It's so sad

Barely on the edge of blue
Cheesy channel, nothing new
Super square and squeaky clean
Happy little hygiene queen

I love you anyway
You're an intense beige but that's okay

Barely on the edge of blue
Cheesy channel, nothing new
Super square and squeaky clean
Happy little hygiene queen

I love you anyway
You're an intense beige but that's okay

Yeah, whatcha gonna do when it all comes true
It makes you feel blue and then they get lonely?
You get whatcha want, it makes you feel sad
And everything you got says sameness only
Too bad, so shut up

I love you anyway
You're an intense beige but that's okay
You're an intense beige
I love you anyway
