Hearts cannot be broken, they're small squishy things  
They don't break like glass but they bruise easily  
This one you bruise

Words will not be spoken never knowing what they  
mean  
Sticks and stones hurt my bones, your promises have  
broken me  
Each one you break

And I want to be good but good is being simple  
Simple is forgetting  
I simply can't forget  
I want to be good but good is being simple  
Simple is forgetting  
And I simply can't forget

Eyes are always open even when they sleep  
Mine are mostly closed while yours are wandering  
You look where you please

And I want to be good but good is being simple  
Simple is forgetting  
I simply can't forget  
I want to be good but good is being simple  
Simple is forgetting  
And I simply can't forget

I want to be great but greatness is giving  
Giving leaves me empty  
Oh great emptiness

Souls cannot be taken, they're large and they're loud  
Yours merely whispers lately seems it's shrinkin'  
I wish it would speak

And I want to be good but good is being simple  
Simple is forgetting  
I simply can't forget  
I want to be good but good is being simple  
Simple is forgetting  
And I simply can't forget

I want to be great but greatness is giving  
Giving leaves me empty  
Oh great emptiness
