[Hook: Juelz Santana & Lil Reese]

We pull it down, we give it up  
We looking down cause we so up  
We pull em down, now picked em up  
We live it up and Know we got is us  
Bodies keep on poppin up  
Cops wanna question us, but we got nothing to discuss  
Just keep them bodies prolly up (x2)

[Verse 1: Lil Reese]

Ain't getting money can't get with us  
These niggas, they ain't with us  
Heard you where's was Reese, she was quick to fuck  
Can't trust niggas that's why is only us  
And I live it up, ?  
Bodies getting drop  
Police hot as fuck  
We love stains, not give it up  
Now you down and I'm up  
Snitch niggas, give names up  
When you? we put them things up  
I never sweat chop, cause I'm the same one  
We on your ass, ain't no letting up  
We at the top, haters looking up  
In a film with em niggas who give no fuck  
And all my niggas wild as fuck  
And fuck niggas be mad as fuck  
And counting paper, a got paper cuts
