[Intro]

Okay, Houston, stand up, we goin to take it back for a minute

Dallas, Texas y'all know what it is, I've been meaning to tell

You this for a long time (New Orleans to Baton Rouge)

-Damn it feels Good to be a gangsta-

Dipset Bitch, you know

Juelz Santana, of course, the Big Apple

Back Like Cooked Crack Man

-Damn it feels Good to be a gangsta-

[Juelz Santana]

Yeah, you better believe that shit, All i do is G-Tech shit
Niggas get G-check quick, with the fifth of this respect
shit

That's what i do but (Damn It Feels Good To Be A
Gangsta)

I wouldn't trade it for nuttin', being a gangsta was
beatiful

The Streets is what made me disgusted

Fuckin', Police is what made me disgusted

Other than that (Damn It Feels Good To Be A Gangsta)

From the start we all hard to these gangsters

Martin Luther King was a gangsta

Malcom X was a gangsta, Rosa Parks was a gangsta

Why can't i say (Damn It Feels Good To Be A Gangsta)?

Niggas follow the code, no dollars for ho's

Maybe just a bottle of Mo, shit

Keep the gun on the side of they clothes

For probable cause (Damn It Feels Good To Be A
Gangsta)

And if you ever see a gangsta in hand-cuffs

Shit, it's probably 'cause he ain't give his man up

Or his man wasn't man enough so he gave this man up

(Damn It Feels Good To Be A Gangsta)

See, niggas do their time and they come home

Gangstas, they decide when they come home

Maybe it's scarred, but they alive when they come
home

Screamin' (Damn It Feels Good To Be A Gangsta)

Man, it feels good to be a gangsta
How can't it feel good to be a gangsta?
Just 'cause you wear a hood you aint a gangsta
But if you are (Damn It Feels Good To Be A Gangsta)
Real gangstas don't pop pellet shit
Real gangstas just pop pellet clips
From the popular fifth, leave you on the side in the
ditch
Spit on your body, tell you (Damn It Feels Good To Be A
Gangsta)
Now aint that some gangsta shit?
Real gangstas keep a gangsta bitch
Real gangstas do crime, don't hesitate and shit
Now that's some gangsta shit (Damn It Feels Good To
Be A Gangsta)

[Outro]

Heh, damn it feels good man, to be a gangsta that is
Lemme tell ya man (Damn It Feels Good To Be A
Gangsta)
Dipset bitch, Back like cooked crack
You never know, Juelz Santana
