[Intro]

Guess what

I'm back

A!

Santana, DipSet Bitch!

You know, you know

[Chorus]

We stay G'd up, we make these bucks, we make things
jump

No thanks to you

We blaze, we up, we invade these clubs, we make
things jump

No thanks to you

From the beat to the boogie, to the street to the hoody

This is gangsta shit

Let you get down to the beat, and just boogie to the
beat, shake your tooshy

If you like gangsta shit

[Verse]

Gangsta niggaz, gangsta bitches

Get on up, get gangsta wit us

Or should I say, get gangsta wit me

I gangsta boogie, through this gangsta city

Get dough, hit hoes, hit flow, big 4, get low, 'for I bang
at you

Pitch blow, big blow, big thang, big 'Rols, you know, no
thanks to you

And shorty you can catch me stuck, cause the weed,
yup

Screamin "Hi! My name is" Deez Nutts

G's up, hoes down, that's how it been, how it is, and
how it goes down

From my young G's wit the clip in the black 5th

To my old G's wit the pick wit the black fist

This is gangsta shit, full blown gangsta shit, you kno,
gangsta shit, A!

[Chorus]

We stay G'd up, we make these bucks, we make things

jump
No thanks to you
We blaze, we up, we invade these clubs, we make
things jump
No thanks to you
From the beat to the boogie, to the street to the hoody
This is gangsta shit
Let you get down to the beat, and just boogie to the
beat, shake your tooshy
If you like gangsta shit

[Hook]
Check it
Now don't you wanna be like us?
Cut it out
You can't be like us
Now don't you wanna be like us?
Cut it out
You can't be like us

[Verse]
Pop it like it's hot, like Snoop said
(pop pop) Dr-drop it like it's hot
Which one of y'all want your coochie rubbed?
Im fucked up and Im lookin for some groupie love
Yall hoes know why Im here
And it's not to send y'all bottles or buy y'all beer
I might send over some eye contact
And let you know Im tryin to hop on that
And if you send back the eye contact
Then I know, it's time to go to the pop off shack
Im a gangsta, I like to do gangsta shit
Like gangsta boogie wit my gangsta bitch
So come, gangsta boogie wit a gangsta bitch
Come see how the gangstas live
And you'll see it ain't no fronts or tellin lies
This gangsta shit here, must be televised

[Chorus]
We stay G'd up, we make these bucks, we make things
jump
No thanks to you
We blaze, we up, we invade these clubs, we make
things jump
No thanks to you
From the beat to the boogie, to the street to the hoody
This is gangsta shit
Let you get down to the beat, and just boogie to the
beat, shake your tooshy
If you like gangsta shit

[Hook]
Check it
Now don't you wanna be like us?
Cut it out
You can't be like us
Now don't you wanna be like us?
Cut it out
You can't be like us
